

# PLEASE DONATE!

Please donate **heavy duty** dog toys for working dog units in Afghanistan.

Cinque Ports Veterinary Associates are supporting the charity Troops Relief in collecting dog toy donations to send out to the working dog units in Afghanistan. There are currently 104 Working Dog Units which sniff out explosives and save numerous lives. Their handlers have asked for donations to reward the dogs which play a vital role in the war.

Your donations will be gratefully received at any of our branches of Cinque Ports Veterinary Associates.
